

FAITHFULNESS AWARD

Sponsored by CE National

Recognizing an individual for faithful service and ministry to the local church family.

GUIDELINES:

In your church are individuals who minister faithfully year after year, and are often unnoticed by others or maybe even taken for granted. They are the “unsung heroes” in your church family. They faithfully serve because of God, not for the recognition of men. Nominations are not limited to any specific area of service (i.e. ministry with adult, youth, or children; tasks that are “behind the scenes” within the church – but serving faithfully.) This award may be a great avenue to be an encouragement.

* There will be multiple recipients of this award.

- 1. Write a brief description about why you are nominating this individual (examples: ministry area, years of service, age group impacted, how others benefit from his/her ministry, etc.)**
